Paul Pearce
Hydrosmart International Pty.Ltd
259 Fullarton Road
Parkside
S.A. 5063

In relation to the performance of the Hydrosmart on the Baal Bone Colliery truck wash NSW Blue Mountains, I am delighted to advise that the Hydrosmart has, to date, performed well with the drivers noting a visible reduction of the amount of salts deposited on their trucks and, in particular, their windows.

Regards
Brad Radloff
